or ARCA Attachment

AMMUNITION (FOUNDATION + INTRO COURSES)

- Minimum 100 rounds per training day
- Match Grade Ammunition
- Same Lot Number
- Handloads*

*While we allow the use of handloaded ammunition, please understand that we cannot be held responsible for any issues arising from its use, including firearm damage or malfunctions caused by excessive pressure or other inconsistencies

AMMUNITION (PERFORMANCE COURSES)

- Minimum 125 rounds per training day
- Precision Match Ammunition*
- Same Lot Number
- Handloads

*Precision Match Grade ammunition or handloads are strongly recommended for this course, delivering optimal shot-to-shot consistency and lower standard deviation compared to standard factory match ammunition

PERSONAL SUSTAINABILITY

- Seasonally appropriate range clothing
- Sturdy footwear for the range
- Snacks + Lunch
- Water Source
- Field Chair

Upon registration, you'll receive access to a detailed video guide showcasing our staff-recommended equipment and gear.
